PROCEDURES FOR ACQUIRING A FILMING OR PHOTOGRAPHY PERMIT AT JOSHUA TREE NATIONAL PARK

- Applicant: Please read and understand these procedures, then complete the application.
 Short form application is for simple film/photo shoots consisting of not more than 10 people.
 Long form application is for any crews of 11 or more people or any shoot requiring set construction, road shots, generators, caterers or special activities.
- 2. To obtain a Special Park Use Permit for commercial film or photography requires the following costs:
 - a. \$120.00 non-refundable application cost
 - b. \$195.00 processing cost (non-refundable if a permit application is processed)
 - c. In most cases a minimum of \$100.00 monitor cost (2 hours on-scene monitoring)
- 3. With most film and photo permits a security deposit will be required. The amount of the deposit, ranging from \$2,000 to \$5,000, will be based on the complexity or size of the shoot. *This deposit must be in the form of a cashier's check or Money Order*. The deposit will be returned after all conditions of the permit have been fulfilled and all financial responsibilities have been met. All checks should be made to the payment of: **National Park Service.**
- 4. As of May 15, 2006 the National Park Service (NPS) has been directed by Congress to collect a fee to provide a fair return to the United States for the use of park lands. Simple shoots will be processed generally in three to five working days. Complex shoots could take up to 120 working days.
- 7. In most cases, film permits will be issued by appointment only at the Special Programs Office, Park Headquarters in Twentynine Palms, California **prior to filming.**
